To

The Secretary to Government,
Local and Legislative Departments,
Bangalore.

Sir,

I have the honour to state that the Superintendent, Lunatic Asylum represents that several well-to-do visitors and friends of patients have volunteerly contributed for providing periodical entertainments, news papers and books and costly drugs in special cases to patients and requests approval for the maintanance of Poor Fund, the amount in hand on 9-12-25 being Rs 48-13-1.

As I see no objection in maintaining a "Poor Fund" in connection with the Lunatic Asylum under the same conditions as are in force in other Hospitals like Victoria Hospital as per Government Order No. 9273-4/Med.165-04-4 dated 8-4-05, I request that sanction of Government may kindly be accorded for maintaining the same in the Lunatic Asylum.

I have the honour to be,

Sir,

To

Representative Assembly & Legislative Council,
Bangalore.

Sir,

With reference to letter No.G.5490-Med.93-25-3, dated 1-2-26, I have the honour to state that so far as this office records show, the first time when the Government became cognisant of a "Poor Fund" in the Victoria Hospital was when an application was made to Government for sanction to the levy of a fee of Rs.10/- for taking X-ray Photographs and to credit the collection to the Poor Fund. This was sanctioned in G.O.No.9273-4-Med.165-C4-4, dated 8th April C. An enquiry was then also made by Government as to the origin of this fund and a copy of the reply furnished

Letter No.G.608 dated 22nd March 1905 from Lt.Col. John Smyth,M.D.I.M.S., Offg.Senior Surgeon & Sanitary Commissioner with the Government of Mysore, Bangalore., to Mr.B.K.Venkatavaradaiengar, Secretary to Government, General and Revenue Departments, Bangalore.

With reference to your docket No.8279/Md.(165-04)-2 dated 13-7-05, I have the honor to inform that as stated in my No.C.537 dated 24-2-05, there is a poor fund maintained in the Victoria Hospital.

2. It is maintained by the contributions of various charitable persons, chiefly old patients.

3. The amount at credit now is Rs.94-1-3.

4. There is no "intention" about what is to be done with the fund-the money is distributed as the Medical Officer in charge thinks/ best and the account is kept by the Steward. From it we pay railway fares home for destitute patients on their discharge from Hospital, buy wooden legs, give small sustenance allowance to poor patients on discharge, sufficient to see them home etc.,
